

Maternal Mental Health NOW GALA Sponsorship

On Friday, May 19, 2023, Maternal Mental Health NOW is looking forward to convening for our annual Speak Up When You're Down Gala at the Westdrift Hotel in Manhattan Beach, CA. The goal of our *Speak Up When You're Down Gala* is to honor and celebrate individuals who have survived perinatal depression, anxiety, grief, loss and other hardship, and the friends, family, providers and community leaders who have supported and advocated for them. This year's theme, **Cultivating Community Voices**, celebrates the varied and powerful voices that are advancing Black birth equity, justice, and living at the county and state level. The event features a

cocktail reception, seated dinner, silent auction and entertainment. We anticipate 200 guests from across Los Angeles County and beyond to be in attendance.

During the evening, honorees will be presented with the Perinatal Mental Health Champion award for their passion and commitment to improve the pregnancy, birthing and postpartum experiences of birthing people and families. Recipients include the California Surgeon General, Dr. Diana E. Ramos, and intergenerational leaders in black birth equity, Wenonah Valentine, MBA, Founder in Residence and Executive Director, i.D.R.E.A.M. for Racial Health Equity; Adjoa Jones, MBA, CLES, Doula, Los Angeles County African American Infant and Maternal Mortality (AAIMM) Prevention Initiative; and Dr. Sayida Peprah-Wilson, PsyD, Executive Director, Diversity Uplifts, Inc.

We invite your organization to join us as a sponsor of this event. Attached are sponsorship levels and benefits for your consideration. Sponsor packages can be curated to meet the needs of your organization and align with your strategic goals. As a project of Community Partners, our 501(c)3 fiscal sponsor, your contribution less the fair market value of the dinner is 100% tax deductible. Our Federal Tax ID number is 95-4302067.

Depression and anxiety during pregnancy and the postpartum period are the number one complication of childbirth, and rates have been exacerbated as a result of the COVID-19 pandemic. Maternal Mental Health NOW works with healthcare providers, health systems, and local and state governments to make the prevention, screening, and treatment of perinatal anxiety and depression part of the standard of prenatal and postpartum care for every new parent in Los Angeles County, regardless of their circumstances. We center historically oppressed, marginalized, and under-resourced parents at the heart of our work, as they regularly experience the most significant challenges to receiving timely, informed, and culturally appropriate care. As a sponsor, you will partner with others in the community that are committed to this work. Proceeds from the gala will be used to support Maternal Mental Health NOW's training, public awareness, and advocacy activities, which include the Black birth workers community. Please partner with us.

If you have any questions, please don't hesitate to contact Kimberly Gray, Director of Development at kimberly@maternalmentalhealthnow.org or (310) 228-7970.

We hope we can work together to lessen the stigma attached to perinatal depression and anxiety so that those who are suffering are encouraged to seek help, and survivors feel empowered to share their stories.
